

INVITATION

MRCZ International Open Race

24 - 25 November 2018

Dear racer,

We hereby invite you to our annual international race. We offering you 2 days of RC car racing on a beautiful track. As always, we will race on our large carpet track in Zwevegem, with all facilities at hand (see below).

After last edition we decided to fully support junior drivers. Due this the Rookie class will be replaced by Junior 17.5. We are proud to announce the Truck class in addition of the 1/12 Spec, 1/10 Stock 13.5, 1/10 Mod and Formula One. Besides this we also have our two "fun" classes (Ladies and Gentlemen's). Additional classes will only be added when there are **five (paid) drivers**. When we are sure that there are five drivers in an additional class, the class will be added on our MyRCM event.

If you have any further questions, please don't hesitate to contact us.

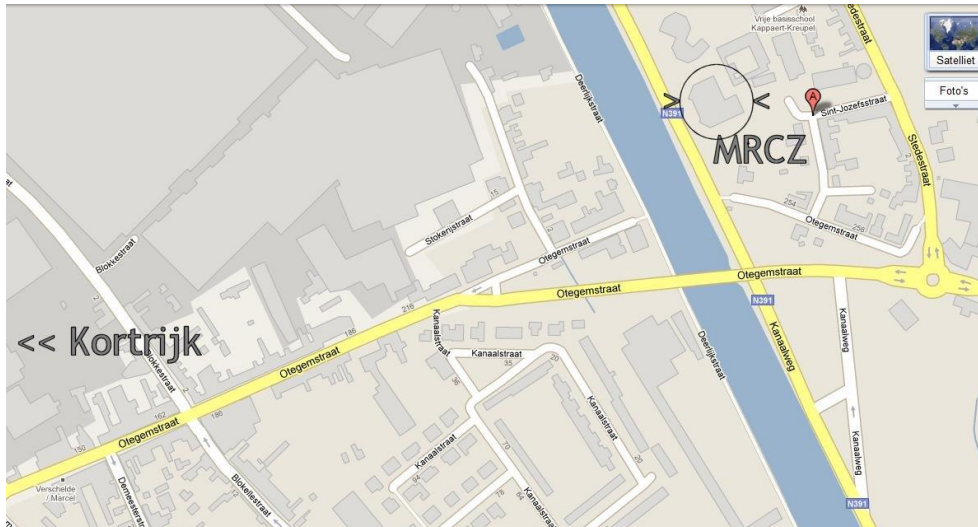

We look forward seeing you there,
Pieter Saelens,
Rico Claeys
Board members MRCZ
